NWOYA DISTRICT LOCAL GOVERNMENT
Office of the Chief Administrative Officer
P. O. Box 1033, Gulu
UGANDA

STATUS UPDATE ON THE IMPLEMENTATION OF LOCAL PBCRG NWOYA DISTRICT 28/06/2024

Akago River Culvert crossing

Nwoya District is participating in the implementation of LoCAL PBCRG. In FY 2023/24, the district planned three major investments to address local climate risks and adaptation. These include the construction of remedy to bottlenecks (culverts) at Akako and Ogonyi river crossing and, the construction of cooking sheds with institutional cookstoves in Pope Paul Secondary School and Lungulu Seed Secondary School. The other investment is the establishment of woodlots in public institutions that included Agung primary, Koch Goma SS, Para primary and Lungulu seed SS and Alele Primary School. The table below shows the major interventions and their status of implementation.

Table below shows the status update of the major interventions.
